string	exhaustDetection	Exhaust detection
string	faceCapture	Face capture and recognition event
string	faceContrastFailure	Face picture comparison failed
string	faceContrastSuccess	Face picture matched
string	faceSnapModeling	Face picture capturing and modeling
string	facedetection	Face detection
string	failDown	People falling down (fallDown)
string	faultAlarm	Fault alarm
string	fielddetection	Intrusion
string	fireDetection	Fire detection
string	fireEscapeDetection	Fire engine access detection
string	fishingShipDetection	Fishing ship detection
string	flowOverrun	Over-limit traffic flow
string	framesPeopleCounting	Regional people counting
string	getUp	Getting up detection
string	group	People gathering
string	hdBadBlock	HDD has bad sectors
string	hdImpact	HDD impact
string	headRiseRate	Head-up rate event
string	heatmap	Heat map alarm
string	highHDTemperature	HDD high temperature
string	highTempAlarm	High temperature alarm
string	hotSpare	Hot spare exception
string	illaccess	Illegal access (illAccess)
string	ipcTransferAbnormal	IPC migration failed
string	ipconflict	IP address conflicted (ipConflict)
string	keyPersonGetUp	Key person getting up detection
string	leavePosition	Absence detection
string	linedetection	Line crossing

string	listSyncException	List synchronization exception
string	loitering	Loitering
string	lowHDDTemperature	HDD low temperature
string	methaneConcentrationExce	Methane density exception
string	methaneLightIntensityExce	Methane light intensity exception
string	mixedTargetDetection	Multi-target-type detection
string	modelError	Model error
string	nicbroken	Network disconnected (nicBroken)
string	nodeOffline	Abnormal disconnection
string	nonPoliceIntrusion	Intrusion of non-police
string	objectAccumulationDetecti	Object accumulation detection
string	objectsThrownDetection	Detection of throwing objects from building
string	openAPISelf	Custom event of OpenAPI platforms
string	overSpeed	Speeding alarm
string	overtimeTarry	Overstay detection event
string	parking	Parking
string	peopleNumChange	People amount change
string	peopleNumCounting	People counting (different from regional people counting)
string	personAbnormalAlarm	Person identity exception alarm
string	personDensityDetection	People gathering density
string	personQueueCounting	Queuing people amount counting
string	personQueueDetection	Queue detection
string	personQueueRealTime	Uploading of real-time information of queue detection
string	personQueueTime	Waiting duration detection
string	personQueueTimingStatisti	Scheduled counting of queuing people amount
string	plateQuaAlarm	Quality assessment of license plate recognition
string	playCellphone	Playing mobile phone detection
string	pocException	Video exception
string	poe	PoE power supply exception
string	policeAbsent	Police absence
string	radarAlarm	Radar alarm
string	radarFieldDetection	Intrusion detection (radar)
string	radarLineDetection	Line crossing detection (radar)
string	radarPerimeterRule	Radar rule data
string	radarTargetDetection	Radar target data
string	radarVideoDetection	Radar target detection
string	raidException	RAID exception
string	rapidMove	Fast moving
string	reachHeight	Climbing detection
string	recordCycleAbnormal	Recording period is insufficient
string	recordException	Abnormal recording
string	regionEntrance	Region entrance
string	regionExiting	Region exiting
string	retention	People overstay detection
string	roadVisibilityAbnormal	Road visibility exception

string	roadWeatherAbnormal	Whether exception
string	rollover	Rollover
string	running	People running
string	safetyHelmetDetection	Hard hat detection
string	scenechangedetection	Scene change
string	sensorAlarm	Angular acceleration alarm
string	severeHDFailure	HDD severe failure
string	shelteralarm	Video tampering alarm
string	shipsDetection	Ship detection
string	sitQuietly	Sitting detection
string	slagTruckCoverPlateDetecti	Slag truck cover detection
string	smokeAndFireDetection	Fire and smoke detection
string	smokeDetection	Smoke detection
string	softIO	Alarm soft IO
string	spacingChange	Distance exception
string	sysStorFull	Storage full alarm of the cluster system
string	takingElevatorDetection	Electric moped entering elevator detection
string	targetCapture	Target capture
string	temperature	Temperature difference alarm
string	thermometry	Temperature alarm
string	thirdPartyException	Third-party exception
string	toiletTarry	In-toilet overtime detection
string	tollCodeInfo	QR code information
string	tossing	Fallen object
string	trafficLightMalfunction	Traffic lights faults detection
string	trainDetection	Train detection
string	unattendedBaggage	Unattended baggage
string	vacantSeatRate	Vacancy rate detection
string	vandalProofAlarm	Compass vandal-proof alarm
string	vehicleAllowlist	Vehicle allowlist event
string	vehicleBlocklist	Vehicle blocklist event
string	vehicleMatchResult	Alarm of vehicles matched in allowlist/blocklist
string	vehiclePassingInParkingLot	Vehicle passing event of parking lot entrance and exit
string	vehicleRcogResult	Vehicle image secondary recognition
string	versionAbnormal	Cluster version exception
string	videoException	Video exception
string	videoloss	Video loss detection
string	violationAlarm	Violation alarm
string	violentMotion	Violent motion
string	waterLevelDetection	Water level detection
string	waterQualityDetection	Water quality detection
string	yardTarry	Yard overstay detection
string	1400Destination	1400
string	AIAlarm	AI alarm data uploading
string	ActiveMQ	ActiveMQ
string	AlarmRMQ	RabbitMQ
string	BladeStorage	Local storage of vehicle analysis server

string	KafkaAiUpload	Uploading AI analysis result to Kafka
string	KafkaFaceAnalysis	Fusion big data of face picture list library
string	KafkaFaceLabel	Fusion big data tagging
string	KafkaFaceSnap	Fusion big data of face capture
string	KafkaGaitCollectionVideo	
string	KafkaGaitVideo	
string	KafkaHumanInfo	Importing one person one archive to big data
string	KafkaHumanVideo	Human body video merged with big data
string	KafkaPersonAnalysis	Importing person analysis to Kafka
string	KafkaScoreResult	Importing score result to Kafka
string	KafkaVehiclePic	Vehicle picture merged with big data
string	KafkaVehicleVideo	Vehicle video merged with big data
string	PeopleTrace	Person pattern library
string	SDKUpload	SDK receiving address
string	Server86SDK	Server86SDK
string	ServerAnalysis	Facial recognition server
string	ServerCVR	CVR
string	ServerClient	Third-party uploading (ISAPI)
string	ServerCloud	Cloud storage
string	ServerCompare	Comparison sever
string	ServerComparison	Facial comparison server
string	ServerHCS	Micro cloud
string	ServerK08	K08
string	ServerKafka	Kafka
string	ServerLocalRestful	Local RESTful alarm address
string	ServerS08	Image and Video Library S08
string	ServerSDKServerWS	Big data webserver
string	ServerVideo	Video big data
string	VehicleServer	Vehicle big data
string	deploymentUpload	Alarm arming
string	faceAlarmLib	Alarm library of face picture big data
string	faceAlarmSdkUpload	List alarm data uploading (SDK)
string	faceAlarmUpload	List alarm data uploading (ISAPI)
string	faceCaptureLib	Captured library of face picture big data
string	faceCaptureUpload	Captured data uploading (ISAPI)
string	faceDetectUpload	Face detection data uploading (ISAPI)
string	faceLabelUpload	Face picture tagging
string	faceListLib	List library of face picture big data
string	hfpdAlarmUpload	Frequent alarm data uploading (ISAPI)
string	hfpdRMQ	Frequent alarm data uploading (RMQ)
string	kafaWhiteAlarmLib	Kafka allowlist alarm library
string	AIOT	Intelligent IoT server
string	AIThinkBox	AI box
string	Alserver	AI open platfrom server
string	Blade	Vehicle analysis server
string	BladePS	Security analysis server
string	CMSelflearning	City management self-learning server

string	CVR	CVR
string	DM	Full analysis server
string	DMbehavior	Abnormal event detection device
string	DVR	DVR
string	DVS	Encoder
string	DockStation	Dock station
string	FA	Facial real-time comparison server
string	FD	Capture detection server
string	FS	Face static data server
string	HAWK	Video structural analysis server
string	HMCP	Hybrid model comparison product
string	HPB	Cloud storage box
string	HybirdNVR	Hybrid DVR
string	IPCamera	Network camera
string	IPDome	Speed dome
string	IPZoom	Integrated camera
string	InfoReleaseSys	Digital signage system
string	InfoTerminal	Digital signage terminal
string	LocationBasedFusionServer	
string	LocationBasedFusionTerminal	
string	MCU	MCU
string	NVR	NVR
string	PHA	Security control panel
string	PURE	Analysis server
string	RFID	RFID
string	SipServer	SIP server
string	Switch	Network switch
string	lightFace	Intelligent fusion server
string	noPlate	Recognized vehicle without license plate
string	unknown	No license plate recognized
string	蓝浙A12345	License plate No.
string	1	Face
string	10	Regional people counting detection
string	11	Walking method
string	12	Perimeter
string	13	Prison
string	14	Street
string	15	Trend analysis
string	16	Indoor
string	17	Person pattern
string	18	Supervised self-learning platform
string	19	Slag truck
string	2	Vehicle
string	20	Unauthorized building
string	21	Land and resource
string	29	OCR recognition
string	3	Target (human and vehicle)
string	35	City management_City Environment (CityManage_CityAppearancelmg)

string	36	City Management_Street Order (CityManage_StreetOrderImg)
string	37	City Management_Street Order (CityManage_AdvertiseImg)
string	38	City Management_Construction Management (CityManage_ConstructionImg);
string	39	City Management_Enmergency (CityManage_EmergencyImg);
string	4	Human body
string	40	City Management_Other Events (CityManage_OtherEventImg);
string	41	City Management_City Environment Facility (CityManage_CityAppearanceFacilitiesImg);
string	42	City Management_Public Facility (CityManage_CommunalFacilitiesImg);
string	43	City Management_Traffic Facility (CityManage_TrafficFacilitiesImg);
string	44	City Management_Landscape Facility (CityManage_LandscapingFacilitiesImg);
string	5	Behavior (behavior_basic)
string	6	Custom target analysis (coustom)
string	7	Target analysis (behavior_smart)
string	8	City management
string	9	Traffic
string	animal	Creature
string	face	Face
string	human	Person
string	nonMotor	Non-motor vehicle
string	plate	License plate
string	threeWheelVehicle	Tricycle
string	twoWheelVehicle	Two-wheel vehicle
string	unknown	Unknown
string	vehicle	Motor vehicle
